## AFTER SCHOOL ART CLASSES

Lewis Elementary School  
1st grade - 5th grade

Join our fun-filled...and creative...drawing and painting classes. The children will experience "seeing" through an "artist's eye". Lines, shapes, values, colors and textures will explode in their artwork. Design elements such as unity, focal point, balance, rhythm and contrast will add professional touches. Creativity and imagination will run wild! Students will be using high-grade, artist quality art materials including watercolor & acrylic paints, oil pastels, colored markers & pencils, plus a variety of art papers and canvas.
